Welcome to The House of Dragons

Welcome to the House of the Dragons where strength and wisdom intertwine – brought to life through striking interiors dramatic energy and the guiding duality of Yin and Yang.

We invite you to explore modern Asian cuisine through a refined lens. Our à la carte and tasting menus are a celebration of craftsmanship and contrast – delicate yet bold, familiar yet unexpected. Every element is designed to balance tradition with innovation, light with dark, power with grace.

This is more than dining. It is where spirit meets substance. A sanctuary above the city, watched over by dragons.

Every detail of your journey has been intricately curated with intent, delivering an elevated experience without parallel.

This is Tattu Dubai.
